## Glamour Portraits \$170.00

Each glamour session begins with a one-on-one consultation to discuss your vision for your images, including style and wardrobe. In the studio for the shoot, you'll spend an hour with our stylist getting your hair and make-up done. Once you're all dolled up and feeling fabulous, an hour long photoshoot will ensure we will capture that perfect flirty pose. Your 5 favourite poses will then be carefully re-touched and digital hand-drawn elements will be added to a rich textured background to transform your images into 50's styled pin-up portraits.

### Package includes:

- 1 hour professional hair and make-up
- 1 hour photoshoot
- final product: DVD with 5 images

Want to try more than one outfit? We can do that!  
Additional outfits, including hair and make-up alterations are \$40.00 each  
(3 images with each additional outfit)
